# Disability Employment Services

*With you every step of the way to find meaningful opportunities into work.*

## What is DES?

Disability Employment Services or DES is the Australian Government's employment service that helps people with a disability, injury or health condition to find work and keep a job.

## Am I eligible for DES services?

**You may be eligible for our services if you:**

- have a diagnosed injury, illness or disability
- are aged between 14 to 65 years
- are able to work at least eight hours per week (with support when required)
- are an Australian resident
- are not studying full time (unless you're an eligible school leaver)
- are not working at or above your assessed employment capacity

## Let us help you

We understand that every person and their disability is different. That's why our support is tailor-made to each individual person. We work alongside you to find your passion, develop your skills, create a plan and take the steps towards finding the right job for you.

## Our unique services

At SSI we are truly local and work with our delivery partners to offer a range of services to meet you at any stage of your employment journey. We do things differently. Our unique services include:

### Social enterprises

that gives you a hands on work experience in a safe and supportive environment to build confidence and skills. We offer opportunities in:

- A supermarket, to gain skills in warehousing, packing, marketing and retail
- A scented candle enterprise, to gain skills in a commercial production and retail environment
- A food truck for practical training in food, commercial cookery, hospitality and retail.

### The Experience Centre

is a real-life office environment to build administration skills, gain experience in working in a call centre and to connect with industry mentors and so much more!

### Specialised pre-employment and training programs

in a range of areas, to help you one on one or in group workshops to develop all the skills you need to be ready for work.

**EmployAbility**, is just one of our specialised programs that provides employment assistance to people with disabilities, their carers and family members. This program started in mid-2016 and works through a strengths based approach to build the capacity and confidence of families. With a focus on skills, attitude to work and long-term employment goal setting for their future. The EmployAbility program was recognised as a National Finalist in 2017 National Employment Services Awards for Innovation in Disability Employment.

### Small Business Support

our IgniteAbility Small Business Start-Ups is an initiative focusing on walking you through starting your own business. From testing a product or service to getting advice from experts in finance, marketing, legal and many more areas – our trained and accredited Ignite Facilitators have worked with people with disabilities start, grow and achieve their small business dream.

SSI consistently receives a Five Star jobactive provider rating with existing relationships and partnerships with employers, job-ready programs, social enterprises and workshops.

### Work Experience with real employers

we have worked with a wide range of employers who can provide work experience placements to help you gain skills and experience to build your resume and gain direct exposure with employers.

### Bilingual staff

that can speak 98 languages!
